Zechariah	3 hrs		\$ 15.00		
Malachi	1 hr		\$ 5.00		Introductory Study

* Please note since these CDs were often generated from older audio cassettes, we have tried to rank the quality of the cassette next to the price (Good: A; Sound could be improved: G). This has nothing to do with contents, but only with quality of the sound. We are creating additional CDs and trying to make improvements all the time.
